

High School Curling Rules

Rules for High School curling follow all OCA rules with the following exceptions:

- 1hr55min Rule - All play ends at 5:25pm. If an end has not been completed at 5:25pm (regardless if all rocks have been thrown) that end will be scored based on the rocks thrown.
- Mercy Rule - the losing team in a blow-out game may concede after 4-ends and continue play for fun once teams have been re-shuffled and re-balanced.
- No player may enter the ice surface without a complete curling waiver, informed consent and liability documentation on file.
